

STARRS REACH

VINEYARD

ROSÉ

Single Vineyard

Blessed with the gift of the mighty Murray River coursing through its boundaries, rich red sandy loam over limestone, long sunny days and starry nights.

For six generations our family has nurtured our land. We are committed to the future as custodians of this land to ensure it's good health for our children and community.

Honouring our roots - Reaching for the stars.

At Starrs Reach Vineyard, what happens below the ground is equally as important as what happens above the ground. We work with our land using sustainable and innovative practices that enhance biodiversity, optimise soil health and allow our wines to tell the story of the land on which they are grown.

COLOUR Delicate rose gold

AROMA Hints of wild strawberries and rose petals

PALATE Subtle pink grapefruit and pomegranate flavours balanced by a dry lemon finish

FOOD MATCH Pair with summer fruit platters, oysters and shellfish or spicy capsicum pesto dips. Serve well chilled. This wine is Vegan Friendly.

CELLARING Drink while young and fresh

VINTAGE CONDITIONS A cool season provided a perfect slow ripening period and fruit was picked at optimum maturity with a well balanced sugar to acid ratio.

WINEMAKING Grapes were crushed and held in the press for 4 hours to extract colour and flavour then pressed and cold settled. Fermented slowly with 2% solids at cool temperatures to provide structure and mouthfeel on the palate.
